LADYBIRDJET.COM 830.3000.JET

A Smarter, More Elevated Way to Move Through Texas.

“Your time has a number. We protect it.”

Ladybird Jet was built on one conviction: the Hill Country deserves a private aviation connection worthy of the life its residents and guests have built here.

Semi-private, by the seat. No TSA. No terminals. No wasted afternoon.
Forty-five minutes to Dallas. Fifty-five to Houston.
Fifteen minutes before departure — that is your check-in window.

The Freedom Circle is our membership for those who have decided that their time is no longer negotiable.

From the Moment *You Decide to Fly.*

01

ARRIVE

Fifteen minutes before departure. No check-in lines. No security. A private terminal, your name on the manifest, and a crew that knows you.

02

BOARD

Eight leather seats. A pressurized cabin. The turbine aircraft such as King Air or Pilatus PC-12, chosen for its safety record, short-runway performance, and quiet altitude.

03

ARRIVE AGAIN

Private terminal. Ground transportation ready if needed. You land in the city already composed — not depleted.

04

RETURN

Thursday or Sunday. Every week. The Hill Country is not a destination you visit once. It is where you live — and Ladybird is how you keep living there.

Our members value their time above all else. Ladybird Jet exists to replace hours spent behind a windshield with time spent where it matters most — with family, clients, friends, and the Hill Country lifestyle they love.

Built for Those Who Plan Ahead.

Ladybird Jet is not a startup.
It is a permanent fixture of Hill Country life.

We are building the infrastructure
that defines regional private aviation
in Texas for the next generation.

- 8 Elite Executive spots
- 13 Professional Flyer spots
- 25 Hill Country Flyer spots

On the Horizon

COMING 2027

Fredericksburg Hangar

Approved dedicated hangar at Gillespie County Airport (T82). A private arrival and departure experience exclusively for Ladybird members.

SUMMER 2026

Ruidoso, New Mexico

Mountain air, cool pines, and horse racing at Ruidoso Downs. Seasonal service launching — the Texas escape that requires altitude.

2026-2027

Members Club Vision

A private lounge in Fredericksburg. Curated events, wine access, and first-notice privileges for founding members.

EXPANDING

Network Growth

Dallas and Houston anchoring a broader Texas network. Midland connectivity and additional Southwest destinations under development.

ALWAYS

The Standard

Zero safety events. FAA Part 135. Argus Gold.
That is not a goal. It is the floor.

JOIN THE FREEDOM CIRCLE[®]

Terms & Conditions

Membership Agreement.

The following terms are intended to provide general operational guidelines for participation within the Ladybird Jet membership network. Full Membership Agreements and operational policies will be provided upon enrollment.

CONTENTS

1. Membership Structure
2. Shared Lift Operations
3. Membership Priority Windows
4. Participation Segments
5. Peak Travel & Blackout Governance
6. Supplemental Lift & Variable Adjustments
7. Founder Participation Credits
8. Guest Participation
9. Operational Flexibility
10. Safety & Operational Authority
11. Membership Acceptance

MEMBERSHIP STRUCTURE

Ladybird Jet memberships provide access to recurring Shared Lift opportunities, member privileges, and participation within the regional aviation network.

- Not ownership interests in any aircraft.
- Not guaranteed charter agreements or common-carrier contracts.
- All flights operated by independent FAA Part 135 certificated operators.

SHARED LIFT OPERATIONS

Ladybird Jet coordinates Shared Lift opportunities on a recurring cadence, currently Thursdays and Sundays. Departures remain subject to:

- Operational availability and minimum participation thresholds
- Weather, aircraft, maintenance, and crew requirements

MEMBERSHIP PRIORITY WINDOWS

Elite Executive	90-day priority
Professional Flyer	60-day priority
Hill Country Flyer	30-day priority

Priority may also consider route demand, peak periods, and operational balancing.

PARTICIPATION SEGMENTS

- Segments allocated by tier for use within the membership period.
- Subject to rollover limitations and expiration policies.
- Not redeemable for cash.

PEAK TRAVEL & BLACKOUT GOVERNANCE

Certain periods may be subject to restricted access, priority controls, or adjusted policies — including holidays, major Fredericksburg events, Formula 1 weekends, and other high-demand windows.

Elite Executive members retain highest priority during peak periods.

SUPPLEMENTAL LIFT & VARIABLE ADJUSTMENTS

Ladybird Jet reserves the right to source supplemental aircraft, adjust participation structures, or coordinate alternate lift solutions where operationally necessary. Pricing may vary based upon fuel volatility, aircraft sourcing costs, maintenance events, and operational necessity.

FOUNDER PARTICIPATION CREDITS

- Participation offsets only — not cash equivalents.
- Non-transferable and may not be redeemed for cash.
- Subject to operational policies and availability.

GUEST PARTICIPATION

Guest participation may be permitted subject to operational availability, participation pricing, and membership-level limitations. Policies vary by tier and operating period.

OPERATIONAL FLEXIBILITY

Ladybird Jet reserves the right to modify schedules, adjust routes, revise membership structures, and implement operational controls as reasonably necessary to preserve safety, continuity, member experience, and long-term network sustainability.

SAFETY & OPERATIONAL AUTHORITY

Safety is the highest operational priority. All decisions regarding aircraft, crew, routing, weather, maintenance, and flight operations remain solely under the authority of the FAA Part 135 certificated carrier.

MEMBERSHIP ACCEPTANCE

Membership participation is subject to approval and ongoing compliance with Ladybird Jet operational policies. Ladybird Jet reserves the right to refuse, suspend, or terminate memberships at its discretion.

"We are grateful to our members for helping build the future of regional shared aviation in Texas."
